3. Klik SEND

*Notification **Please check your UiTM Email for reset password link** akan terpapar

The screenshot shows the 'UiTM WiFi STAF Activation ID' web form. At the top, there are two tabs: 'UiTM WiFi STAF Activation ID' (selected) and 'Email'. Below the tabs is the header for 'UNIVERSITI TEKNOLOGI MARA' (UiTM) and the 'Pejabat Pembangunan Infrastruktur dan Infostruktur' (Infrastructure and Information Systems Development Office). The form contains a green box with a checked checkbox labeled 'Email an Activation ID link'. Below this is a yellow box with an information icon and text: 'Enter your IC No. and your UiTM EMAIL ADDRESS to activate your password. You will receive the email, click the link inside to complete the activation.' The main form area has two input fields: 'Staff IC No.' and 'Email'. The 'Staff IC No.' field contains the placeholder text 'Staff IC No.' and the 'Email' field contains '@uitm.edu.my'. A green 'Send' button is located below the input fields.

IOS USER

IPHONE 6/7/8/10/11

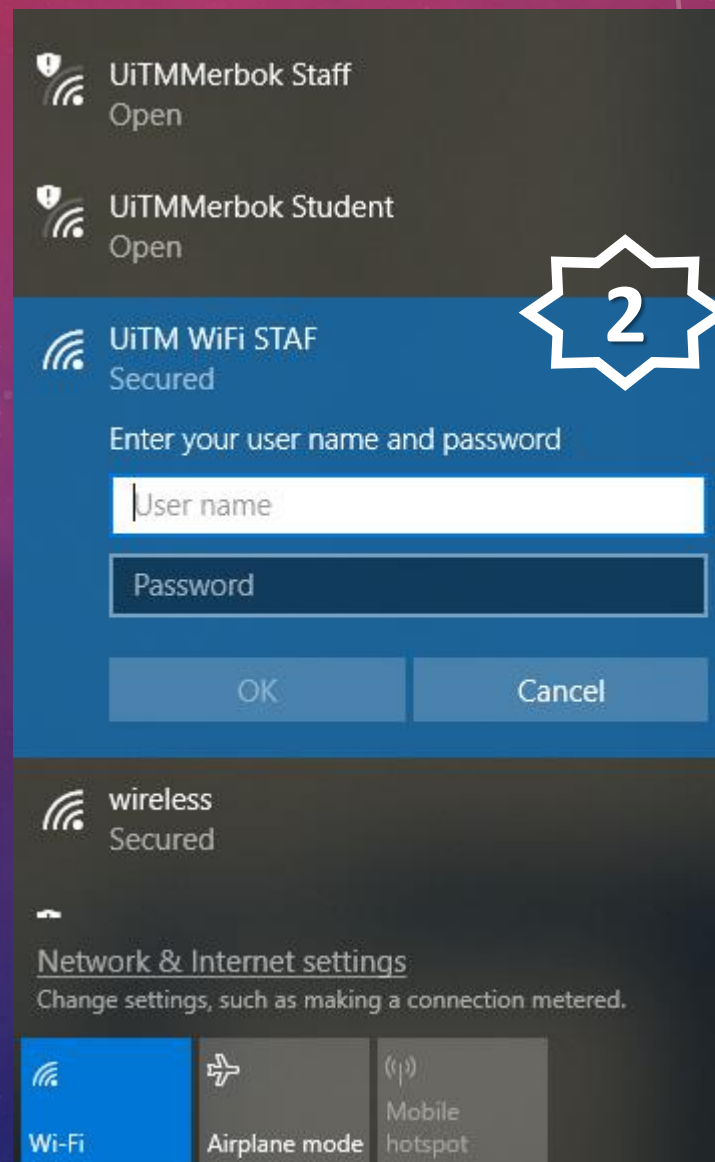

WINDOWS 7/8/10 USER

NOTEBOOK/PC

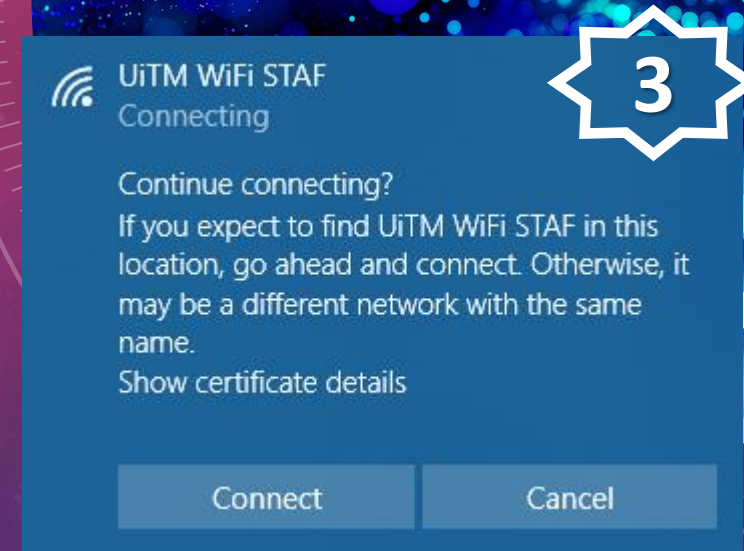

Step 1: Windows Network Settings. The interface shows a list of available Wi-Fi networks. 'UiTMMerbok Staff' and 'UiTMMerbok Student' are marked as 'Open'. 'UiTM WiFi STAF' is marked as 'Secured' and has the 'Connect automatically' checkbox checked. A 'Connect' button is visible next to the 'UiTM WiFi STAF' entry. At the bottom, there are toggle switches for 'Wi-Fi' (on), 'Airplane mode' (off), and 'Mobile hotspot' (off).

1

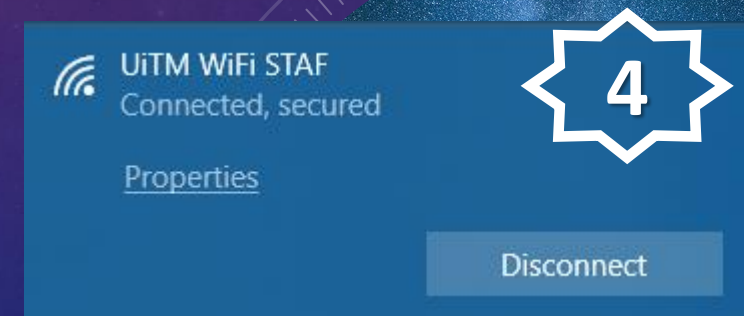

Step 2: Windows Network Authentication. The 'UiTM WiFi STAF' network is selected. A dialog box prompts the user to 'Enter your user name and password'. It contains two input fields: 'User name' and 'Password'. 'OK' and 'Cancel' buttons are at the bottom. The 'Wi-Fi' toggle at the bottom is still on.

2

Step 3: Windows Network Connection Confirmation. A dialog box asks 'Continue connecting?' and provides instructions: 'If you expect to find UiTM WiFi STAF in this location, go ahead and connect. Otherwise, it may be a different network with the same name. Show certificate details'. 'Connect' and 'Cancel' buttons are at the bottom.

3

Step 4: Windows Network Connected. The 'UiTM WiFi STAF' network is now 'Connected, secured'. A 'Properties' link is available. A 'Disconnect' button is at the bottom right. The 'Wi-Fi' toggle at the bottom is still on.

4

The background is a gradient of purple and blue, featuring bokeh light effects. On the left side, there are faint, semi-transparent circular patterns and a scale with numbers ranging from 140 to 260. The text is centered in the upper half of the image.
